FROM OUR
FOUNDERS

Dear Friend of Mobilize Frederick,

The board and staff of Mobilize Frederick are eagerly looking forward to our 3rd annual Climate Summit, co-sponsored by Hood College, on February 28–March 1, 2025. This year’s theme, “It’s All Connected! How Climate Solutions Work Together for a Better Future” underscores the potential of collective action in addressing the climate crisis. When it comes to working together for collective action, we need businesses and organizations like yours to join in and help! Please consider becoming an exhibitor! Use this registration only if you wish to exhibit and not sponsor the event. If you want to sponsor the event with the option of also participating in the Exhibitor Hall, please click [here](#).

The Exhibitor Hall will be in Whitaker Campus Center at Hood College. Logistical details will be emailed closer to the date of the Summit. The exhibitor fees are \$100 to exhibit on Friday and Saturday OR if you only wish to exhibit one day, the fee is \$75.00. Please do not hesitate to contact Lisa Orr with any questions at edeckerorr@comcast.net or (240) 529-3177.

With gratitude,

Barb Trader, Co-Founder & President, Board of Directors
Karen Cannon, Co-Founder, Executive Director
